CAMDEN EAZY IPA

12300465

England

Great beer is hard to find. But we make it Eazy. This time we've packed some punch into a classic Hazy IPA by squeezing in fresh Citra and a dose of peachy El Dorado hops. The result? A stone-fruit juicy, golden-hazy, desert island treasure. And you found it. Eazy peazy.

GRAND CENTRAL IPA

CAMDEN OFF MENU IPA

12300464

England

Our ideal IPA wasn't on the menu, so we made it. Resisting piling up a variety of hops like toppings on a burger, we held the pickles and did things our way. Sandwiching together light malts, clean Cali ale yeast and early harvest Simcoe hops. Just what the brewers ordered.

GOOSE ISLAND IPA

GOOSE ISLAND MIDWAY IPA

Our India Pale Ale recalls a time when ales shipped from England to India were highly hopped to preserve their distinct taste during the long journey. The result is a hop lover's dream with a fruity aroma, set off by a dry malt middle, and long hop finish.

GOOSE ISLAND TODAYS HAZE IPA

BREWDOG PUNK IPA

17541605

Scotland

A decade ago there was a revolution. A beer revolution. Punk IPA is the beer that kick-started it. This light, golden classic has been subverted with new world hops to create an explosion of flavour. This is the beer that started it all - and it's not done yet... PUNK - Quintessential Empire with an anarchic twist.

BREWDOG PUNK AF IPA

A beautifully balanced, full flavoured premium lager with a pronounced hoppy bitterness and a crisp, clean finish. Most lager and pilsner beers are made of the same ingredients. But that doesn't mean they're all created equal. Every Stella Artois is brewed with water, malted barley and maize. But most importantly, Saaz Hops. It's what helps Stella Artois stand out.

STELLA ARTOIS UNFILTERED

23190025

England

Stella Artois' Belgian brewmasters honour the brewing methods of the past to create this unfiltered premium lager. The absence of filtration allows the fresh flavours of malt and Saaz hops to burst through for a naturally vibrant taste. Unfiltered is bursting with natural flavour because the yeast and smaller proteins that would normally be removed are left in, giving the beer a more vibrant taste and a hazier appearance - all at 5% ABV.

Our brewmasters have taken 600 years of Belgian brewing heritage and combined it with our best, all-natural ingredients, to create an alcohol free lager that is bursting with flavour. With a pronounced hoppy bitterness and a crisp, clean and refreshing finish, but with not even a drop of alcohol and just 60 calories, Stella Artois can now be savoured by everyone.
